General conditions of coverage

- A. Premiums are payable monthly. This policy is continued until canceled and will renew automatically every month as long as Your premium payments are current. If premiums are unpaid, We may cancel this policy by sending a notice of cancellation to You at Your last known address at least 20 days before the effective date of cancellation.
- B. The successful payment of Your premiums constitutes Your acceptance of all terms and conditions contained in this policy.
- C. We may change Your monthly premium at any time by providing a written notice to You at least 30 days prior to the effective date of the change. Your monthly premium will not adjust more than one time in any continuous 12-month period.
- D. All Veterinary Treatments and care must be provided by a licensed Veterinarian with the necessary training and expertise or by a staff member at the authorization of and under the Veterinarian's Direct Supervision.
- E. Coverage for treatments may be provided under this policy only while Your Pet is in the United States of America, Puerto Rico, Canada, Australia or any other region under US, Canadian or Australian government control, such as military installations/bases in foreign countries.
- F. No coverage will be provided for any Veterinary Treatment costs or losses incurred during any period of time in which Your policy is not in force.
- G. Proration of costs will occur if the invoiced items are applicable to more than one illness, injury, or procedure.
- H. This policy is not transferable to other Pets.
- I. You may cancel Your policy by notifying Us in writing via mail, fax, or email.
- J. If You cancel Your policy for any reason within the first 30 days and We have not paid You a claim within that period, You will receive 100% of Your premium and enrollment fee (if applicable) back.
- K. Insurance fraud unfairly increases premiums for all policyholders. If any policyholder provides Us or makes a claim that involves false, misleading, and/or dishonest information, We may not pay the claim, We may void any of Your policies, and We may be required by law to report it to governmental authorities.
- L. You must be the personal and individual Owner of the insured Pet.
- M. If You transfer ownership of the Pet to a different Owner to care for the Pet, We can arrange for continued coverage if We are contacted within 30 days from the date ownership transfers.

- N. Waiver of Rights in the Event of a Dispute: There may be instances where We disagree regarding the terms of coverage. In such cases, We will negotiate in good faith to resolve the issue amicably. If We are unable to agree, You remain entitled to seek remedies under applicable law. In the event You bring a legal action against Us in Your chosen jurisdiction, You agree to not object to Our request to appear electronically.
- O. Recovery from Third Parties; Subrogation; Reimbursement; Setoff: We will not make payments for claims for which You are entitled to recovery under any other insurance, except for any additional sum that is payable over and above such other insurance and any contribution that We are obliged to make by law. If We make a payment to You and You are also entitled to receive a payment from a third party, Our obligation is subrogated to that right. You will help Us recover any payments that were subject to subrogation and reimburse Us to the extent You recover from a third party (up to the amount of Our payments to You). Notwithstanding anything to the contrary in this agreement and without prejudice to any other right or remedy We may have, We may set off or recoup any liability owed to You pursuant to this policy against any amount We determine, in good faith, that You are liable for to Us, including, without limitation, any overpayments We may have made to You due to subrogation, error, or otherwise.
- P. Severability: If at any time this policy's provisions are in conflict with the applicable laws, rules, and/or regulations of the state or province in which this policy is issued, the provisions will be reformed and construed to be valid, legal, and enforceable to the maximum extent permitted by such applicable laws, rules, and/or regulations to effect the original intent of the parties as closely as possible.
- Q. Entire Contract: This policy, the declarations page, and any attached riders or endorsement(s) contain all the agreements between You and Us and supersede any prior agreements or understandings between Us.

SECTION 4

Things you must do

We do not cover Illnesses or Injuries that may arise from Your failure to:

- A. Act prudently in the care and protection of Your Pet. You must protect Your Pet from the exacerbation and/or recurrence of any Injury or Illness after its initial occurrence and provide proper Maintenance/preventive care.
- B. Administer Vaccinations and preventive Veterinary Treatment or Medication as recommended by Your Veterinarian to protect against Illness. We do not pay claims for illnesses (including treatment or diagnostics) that can be prevented via vaccination or preventive Medication if You did not provide that preventive care for Your Pet.

SECTION 5

Our claims process - What happens if you need to make a claim

- A. You must submit a fully-completed claim form and supporting invoice(s) for each and every Illness or Injury for which a claim is made within 90 days of the treatment date. You can download a claim form from the Member Portal on Our website at Info@Trupanion.com or You may contact Our Member Experience team at 855.266.2151 and We will mail, email, or fax one to You.
- B. We require complete medical history/records associated with Your Pet to process any claim. You agree to provide to Us all medical history/records associated with Your Pet. You authorize Us, at the time of Your Policy Enrollment Date and any time thereafter, to contact any veterinary Hospital to obtain all available medical records that exist for Your Pet. You authorize any veterinary Hospital to release to Us all medical records that exist for Your Pet. Failure or refusal to disclose a complete medical history for Your Pet when requested may result in the denial of Your claim(s) and/or cancellation of Your policy.
- C. You may have Your claims paid directly to the treating Veterinarian if an arrangement to do so exists between Us and the treating Veterinarian.
- D. If We pay a claim for any Illness or Injury that is not eligible under the policy terms and conditions, that payment by Us does not waive Our right to apply the terms and conditions of this policy appropriately to any other submitted claims.

At our partner hospitals, we are able to pay your veterinarian our portion of the bill while you check out. This means you only have to pay your share of the bill so you don't have to wait for a reimbursement check. Even if you need to submit a claim yourself, we strive to make sure the process to do so is simple.
