### Our pricing promise

**What's the problem We're solving?** Trupanion exists to help Pet Owners budget for unexpected veterinary costs when their Pet gets sick or hurt. The wide variance in veterinary costs between treating a lucky Pet and an unlucky Pet, makes it very difficult for a responsible, loving Pet Owner to budget for their Pet's specific needs. Even if a Pet Owner knew the exact cost of the unexpected care for their Pet's Injuries and Illnesses, they still won't know when in their Pet's life those unexpected cost will occur.

**Your Monthly Cost?** To keep Our pricing promise, Your monthly cost will be guaranteed not to change (except for changes You may initiate) more than once in any 12 month consecutive period. Your monthly cost will be evaluated monthly to ensure that Your rates are based on the most current approved rate filing. At these evaluations, We will assess whether at least 12 months has passed since Your last rate adjustment and whether a rate adjustment has been approved. If both of these statements are true, We will notify You at least a 30 days in advance of any change to Your monthly cost.

## SECTION 2

### We can pay your veterinarian directly

Our patented software allows Us to pay invoices directly to Hospitals at checkout. You often pay only Your Share of the bill at checkout instead of paying the full bill upfront and waiting for reimbursement.

To find out if Your Hospital is one of the thousands with Our software, visit [Trupanion.com/vet-direct-pay](http://Trupanion.com/vet-direct-pay). If Your Hospital does not have Trupanion's software yet, You can request We reach out to Your Veterinarian from that page, and We will contact them about installing the free software.

If Your Veterinarian does not have Our software, You may direct Us on the claim form to pay the treating Veterinarian if We have an arrangement to do so with Your Hospital.

If We are unable to pay Your Veterinarian directly, You must pay Your Pet's invoice and submit a fully completed claim form and supporting invoice(s) for each eligible Illness or Injury to receive payout from Us. You can submit Your invoice online by visiting Members. [Trupanion.com](http://Trupanion.com). We can send Your payouts fastest by depositing them directly into Your bank account.

## SECTION 3

### What we cover

We provide the coverage described in this plan in return for the timely and successful receipt of *Your* monthly payments, subject to the following terms and conditions:

**A. WE COVER:**

- I. The *Actual Cost of Veterinary Treatment* *You* incur, subject to *Your Payout Percentage*, for unexpected *Illnesses* or *Injuries* not documented as ineligible on *Your Coverage Summary Report*.

**B. COVERAGE SUMMARY REPORT:**

- I. As a valued *Trupanion Member*, We want *You* to know what will and will not be eligible for coverage as soon as possible after *You* enroll. In *Our* efforts to be proactive and transparent, We will provide *You* with a *Coverage Summary Report* completed to the best of *Our* ability within the first 30 days after adding *Your Pet* to *Your Membership*. *Your Coverage Summary Report* will highlight:
  1. Any *Illnesses* (including *Dental Illnesses*), *Injuries*, or *Behaviors*, including evidence of their potential manifestation(s), that started before *You* added *Your Pet* to *Your Membership* and/or during any applicable waiting period.
    - a. This includes problems that vary from the medically desired functional state and are outwardly observable or reasonably known to be present prior to adding *Your Pet* to *Your Membership* or during any applicable waiting period.
    - b. The *Illnesses*, *Injuries*, and *Behaviors* indicated on *Your Coverage Summary Report*, including their potential manifestations, will be ineligible for coverage.
    - c. Any new *Illnesses* or *Injuries* that arise after adding *Your Pet* to *Your Membership* and any applicable waiting period that are not listed on *Your Coverage Summary Report* will be eligible for coverage, subject to all other terms and conditions outlined in this plan.
- II. *Your Coverage Summary Report* is created using the medical records provided to us and can change if We receive additional information or if We determine the original assessment is no longer accurate.
- III. You agree to provide *Us* all medical history/records associated with *Your Pet*. You authorize *Us*, at the time of enrollment and any time thereafter, to contact any veterinary *Hospitals* to obtain all available medical records that exist for *Your Pet*. You authorize any veterinary *Hospitals* to release all medical records that exist for *Your Pet* to *Us*.
- IV. We may require *Your* assistance in acquiring *Your Pet's* medical records in order to complete this report in a timely fashion.

- V. We may cancel *Your Membership* if We are unable to provide a completed *Coverage Summary Report* because We did not receive complete medical records by the date requested. If We cancel *Your Membership*, We will send a cancellation notice to You at Your last known address at least 20 days before *Your Membership* cancels. We will also attempt to contact You by text, email, or phone.
  - 1. If We cancel *Your Membership*, You may re-enroll after collecting Your Pet's complete medical history from Your Veterinarian(s).
- VI. Your Pet must be Examined by a Veterinarian in the 12 months prior to adding Your Pet to Your Membership. If Your Pet has not received an Examination within that time, We may cancel *Your Membership* because We cannot complete a *Coverage Summary Report* without those records. If We cancel *Your Membership*, We will refund any payments made to Us, except for the fee charged for attempting to complete Your *Coverage Summary Report*. We will not offer a refund when We have already paid an invoice You submitted.
  - 1. Pets who enroll before they're 8 weeks old do not require an Examination.
  - 2. If We cancel *Your Membership* because Your Pet has not been seen by a Veterinarian in the 12 months prior to adding Your Pet to Your Membership, You may re-enroll after Your Pet has an Examination by a Veterinarian and We receive the records from the visit.

**C. PAYOUT PERCENTAGE:**

- I. *Payout Percentage* is the percentage of the *Actual Cost of Veterinary Treatment* that We are responsible for paying.
- II. You select Your *Payout Percentage* on the day You add Your Pet to Your Membership.
- III. You may increase Your *Payout Percentage* only within the first 30 days after You add Your Pet to Your Membership, and Your new *Payout Percentage* (and corresponding new monthly cost) will take effect on Your next billing date.
- IV. You may decrease Your *Payout Percentage* at any time, and Your new *Payout Percentage* (and corresponding new monthly cost) will take effect on Your next billing date.
- V. Your selected *Payout Percentage* will be shown on Your *Declaration Page*.

**D. PRESCRIPTION FOOD:**

- I. While We do not cover costs to feed Your Pet because food is an expected need for all Pets, We understand it can be difficult to determine whether *Prescription Food* will benefit Your Pet. We want to remove the barrier for Your trusted Veterinarian to help determine the most beneficial *Prescription Food* for Your Pet's *Illness* or *Injury*. For this reason, We will cover up to 90 days of *Prescription Food* for Your Pet over the course of their life. The amount of *Prescription Food* We will cover is based on the standard feeding guidelines for the weight of Your Pet, determined by their breed's average size. This diet must be recommended by Your Veterinarian to treat unexpected *Illnesses* or *Injuries* eligible for coverage under the terms and conditions of this plan.

## SECTION 4

# What we do not cover

We do not cover costs for any of the following. These costs, as well as *Your* portion of *Your Payout Percentage* make up *Your Share* of the invoices *You* submit.

### A. PROBLEMS THAT OCCUR BEFORE OR DURING YOUR WAITING PERIOD:

- I. Our waiting period exists to prevent fraud or otherwise enrolling *Pets* who may be already sick or hurt. Insurance is structured to help *You* with unexpected issues—not problems that happen before *Your Membership* or that *You* wait until after adding *Your Pet* to *Your Membership* to disclose. Therefore, *Illnesses*, (including *Dental Illnesses*), *Injuries*, or *Behaviors* for which sign(s) or evidence occur or recur within 12 days after adding *Your Pet* to *Your Membership* (counting the day they enroll as day 1), as noted in *Your Coverage Summary Report*, even if not noted in *Your Pet's* medical records, regardless of presence or lack of diagnosis, are not eligible for coverage.

### B. PROBLEMS THAT START BEFORE YOU ENROLLED:

- I. We do not offer coverage for *Illnesses*, (including *Dental Illnesses*), *Injuries*, or *Behaviors* present prior to adding *Your Pet* to *Your Membership*. This includes *Conditions* with an increased likelihood of occurring based on any previous signs, evidence, or abnormal laboratory results or tests, as noted in *Your Coverage Summary Report*, even if not noted in *Your Pet's* medical records and regardless of presence or lack of diagnosis.

### C. ROUTINE OR PREVENTIVE CARE

- I. We do not cover routine or preventive care including, but not limited to: *Vaccinations*, titer tests, genetic/DNA tests, diagnostic tests, and parasite prevention, as these are expected costs for which *You* can budget. These costs are frequently included with *Hospital-based* wellness plans, which complement *Your* coverage from Us.
- II. We do not cover routine dental care including, but not limited to: *Dental Prophylaxis* and associated costs, open or closed root planning, toothbrushes, toothpastes, and dental foods, chews, and rinses at any time for any reason.

### D. EXAMINATION FEES

- I. We do not cover Examination fees of any kind. *Our* coverage is provided without annual, lifetime, and/or per condition limits or deductibles. We consider Examination fees to be *Your Share* of *Your Pet's* medical needs. Also, We complement *Hospital-based* wellness plans, which typically include Exams and wellness services.

### E. INVOICES IF YOU DO NOT DO THE FOLLOWING:

- I. Protect *Your Pet* from the exacerbation and/or recurrence of any *Injury* or *Illness* after its initial occurrence. If there is a recurring *Behavior* to be excluded from *Your* coverage and it is not listed on *Your Coverage Summary Report*, We may notify *You* in writing via mail or email by amending *Your Coverage Summary Report* (to the last addresses known to Us).

- II. Administer *Vaccinations* and preventive *Veterinary Treatment* or *Medication* as recommended by *Your Veterinarian* to protect against *Illness*. We do not pay for *Illnesses* (including treatment or diagnostics) that can be prevented by *Vaccination*, preventive *Medication*, or *Veterinary Treatment* if *You* did not provide that preventive care to *Your Pet*.
    - 1. If *You* provide *Vaccine* for *Your Pet* per the recommendations of *Your Veterinarian* and *Your Pet* still contracts an *Illness* that the *Vaccine* intended to prevent, We will cover the cost of treating that *Illness*.
    - 2. If *Your Pet* receives *Veterinary Treatment* for Dental Prophylaxis, spay, neuter, *Vaccinations*, or gastropexy per the recommendations of *Your Veterinarian* and there are complications from that *Veterinary Treatment*, We will cover the cost to treat those complications for *Your Pet*.
  - III. Act prudently in the care and protection of *Your Pet*. As such, *You* must follow *Your Veterinarian's* advice regarding *Your Pet's* treatment, diagnostics, and regularly scheduled wellness *Exams*.
  - IV. Follow *Your Veterinarian's* advice about dental care. If recommended, *Your Pet* must undergo *Dental Prophylaxis* performed by or under the *Direct Supervision* of a *Veterinarian* within the timeframe *Your Veterinarian* recommended. If *Your Veterinarian* does not provide a recommended timeframe, the specified treatment must be completed within 90 days of the recommendation. If for any reason *Your Pet's* teeth have not been *Examined* by a *Veterinarian* within 12 months prior to adding *Your Pet* to *Your Membership*, dental coverage starts from the date of *Your Pet's* first dental *Examination* after adding *Your Pet* to *Your Membership*. In addition to all other terms and conditions, any *Illnesses*, *Injuries*, or signs found prior to or at such *Examination* will not be eligible for dental coverage.
- F. OTHER EXCLUSIONS:** We do not cover at any time for any reason the costs, fees, or expenses associated with:
- I. Any cost incurred that does not qualify as *Veterinary Treatment* as defined in *Your Membership* plan, including *Experimental* treatments;
  - II. Any *Veterinary Treatment* related to retained deciduous teeth if *Your Pet* enrolled at or after 6 months of age.
  - III. Complications or sequelae to *Illnesses*, *Injuries*, procedures, diagnostic tests, treatments, and/or *Medications* excluded or restricted by the coverage outlined in this plan;
  - IV. *Illnesses* (including *Dental Illnesses*), *Injuries*, or *Behaviors* masked or controlled by *Veterinary Treatment*, *Medication* (including *Supplements* and herbs), or *Prescription Food*.
  - V. Compilation or transmission of medical records, insurance claim forms, or invoices;
  - VI. Administrative charges, shipping costs, or postage;
  - VII. Parasitic infection, infestation, treatment, diagnostics, or control for internal or external parasites for which there are readily available preventive treatments;
  - VIII. *Veterinary Treatments* or diagnostics in the absence of signs or evidence indicating an *Illness* or *Injury*;

- IX. Elective, cosmetic, or preventative procedures including, but not limited to: tail docking, ear cropping, declawing, dew claw removal, microchip implantation, and associated costs of each;
- X. Anal gland expression;
- XI. Spaying or neutering at any time for any reason unless recommended by *Your Veterinarian* following an *Illness* or *Injury* that involves damage to the reproductive organs;
- XII. Cremation, burial, and additional post-mortem costs;
- XIII. *Boarding* including, but not limited to: medical *Boarding*, day care, day stay, and day observation;
- XIV. Transport expenses, travel, or mileage fees;
- XV. Bedding, housing, crates, cages, ramps, feeding bowls/platforms, feeding, exercise, non-prescribed special diets, raw food diets, *Pet* foods, routine or preventive *Supplements*, bathing (including bathing intended as *Veterinary Treatment* for an eligible *Condition*), non-medicated shampoo, grooming, nail trims, ear cleaning, ear irrigation, toys, clothes, leashes, collars, electronic or other wearables, non-*Hospital*-based diagnostic or treatment equipment, and/or treats;
- XVI. *Illnesses* or *Injuries* to *Your Pet* that arise from *Your* intentional or reckless activity. Permitting *Your Pet* to be in the company of someone you know or should know is a danger to *Your Pet* will be deemed reckless, and resulting *Injuries* will not be eligible for coverage;
- XVII. Any *Illness* or *Injury* resulting from activities related to training for or participating in racing, including track and sled racing;
- XVIII. Cloning;
- XIX. Cloned *Pets*;
- XX. Any claim for loss that arises from a nuclear reaction, radiation, radioactive contamination, or the discharge of a nuclear device or a chemical, biological, biochemical, or electromagnetic weapon, device, agent, or material, whether controlled or uncontrolled, accidental or otherwise;
- XXI. Any claim for loss that arises from war, invasion, acts of foreign enemies, hostilities, civil war, rebellion, revolution, insurrection, strikes, riots, or civil commotion.

## SECTION 5

### Our guidelines

- A. No coverage will be provided for any *Veterinary Treatment* costs or losses incurred during any period of time in which *Your Membership* is not active.
- B. This lifetime Membership will renew automatically every month as long as *Your* monthly payments are current. If *Your* monthly payments are not kept current, *We* may attempt to contact *You* by phone, text, email, or mail to process *Your* payment and keep *Your* coverage intact. If *We* are unable to reach *You* to resolve *Your* failed payments, *We* may cancel *Your Membership* by sending a notice of cancellation to *You* at *Your* last known address at least 20 days before *Your Plan* cancels.
- C. *Your* successful monthly payments constitute *Your* acceptance of all terms and conditions contained in this plan.
- D. All *Veterinary Treatment(s)* and care must be provided by a qualified, appropriately-licensed *Veterinarian* with the necessary training and expertise or by a staff member at the authorization of and under the *Veterinarian's Direct Supervision*.
- E. Coverage for *Veterinary Treatment* may be provided under *Your Membership* only while *Your Pet* is in the United States of America, Puerto Rico, Canada, Australia, or any other region under US, Canadian, or Australian government control, such as military installations/bases in foreign countries.
- F. *We* will prorate costs if the invoiced items are applicable to more than one eligible or ineligible *Condition* or procedure.
- G. If *We* incorrectly pay an invoice for any *Illness* or *Injury* that is not eligible under *Your Membership* terms and conditions, that payment by *Us* does not waive *Our* right to apply the terms and conditions of *Your Membership* appropriately to any other submitted invoices.
- H. This coverage is not transferable to other *Pets*.
- I. *You* may cancel *Your Membership* by notifying *Us* by phone, mail, fax, or email.
- J. If *You* cancel *Your Membership* for any reason within the first 30 days of when *You* added *Your Pet* to *Your Membership* and *You* have not received payout for an invoice within that period, *We* will refund 100% of *Your* monthly cost. *We* will not refund the fee paid to provide *You* with a *Coverage Summary Report* and an ID tag, which provides access to *Our* 24/7 emergency lost-and-found *Pet* hotline.
- K. Insurance fraud unfairly increases costs for all Members. If any Member provides *Us* or makes a claim that involves false, misleading, and/or dishonest information or fails to provide all of the information *We* requested, *We* may not pay the claim, *We* may cancel *Your Membership* and coverage for all of *Your Pets*, and *We* may report instances of fraud to governmental authorities.
- L. *You* must be the personal and individual Owner of the insured *Pet*.

- M.** In the event that *You* transfer ownership of *Your Pet* to a different *Owner*, *We* can arrange for continued coverage if *We* are contacted within 30 days from the date ownership transfers.
- N.** If *We* reaffirm the denial and *You* still disagree with *Our* decision, *You* may request an *Independent Third-Party Veterinarian (ITPV)* review. *Your* request will only be granted if *Your* concern involves an unusual/nuanced case and requires a niche medical expertise about current findings in veterinary science to determine eligibility.
- I. *We* will deny a request for an *ITPV* review in situations when the language or timing of *Our* plan specifically excludes coverage for *Your* claim.
  - II. *ITPV* reviews are completed at *Our* expense to determine whether the medical reasoning for denial was justified in accordance with the terms of this plan.
  - III. An *ITPV* review can take 4 or more weeks to complete.
  - IV. The *ITPV*'s decision will be final and binding for *Us*.
- O.** If *You* pursue a review of *Your* invoice by an *Independent Third-Party Veterinarian* and *We* are still unable to agree on the outcome, *You* remain entitled to seek remedies under applicable law. In the event *You* bring legal action against *Us* in *Your* chosen jurisdiction, *You* agree to *Our* request to appear electronically.
- P.** Recovery from Third Parties; Subrogation; Reimbursement; Setoff: *We* will not make payments for invoices for which *You* are entitled to recovery under any other insurance, except for any additional sum that is payable over and above such other insurance to fully compensate *You* for *Your* loss and any contribution that *We* are obligated to make by law. If *We* make a payment to *You* and *You* are also entitled to receive payment from a third-party, *Our* obligation is subrogated to that right to the extent the amount *You* received from *Us*, together with the amount *you* received from the third party, exceeds the sum required to fully compensate *You* for *Your* loss. *You* will help *Us* recover any payments subject to subrogation and reimburse *Us* to the extent *You* recover from a third party (up to the amount of *Our* payments to *You* to the extent such payments, together with the amount *You* received from the third party, were in excess of the sum required to fully compensate *You* for *Your* loss). *We* may set off or recoup any liability owed to *You* pursuant to *Your Membership* against any amount *We* determine, in good faith, that *You* are liable for to *Us* including, without limitation, any overpayments *We* may have made to *You* due to subrogation, error, or otherwise.
- Q.** Severability: If any part of this plan conflicts with applicable laws, rules, and/or regulations of the state or province in which *Your Membership* is issued, this plan will be amended to conform to such applicable law, rule, or regulation while attempting to preserve the original intent of this plan where possible.
- R.** Entire contract: This plan, the *Declaration Page*, and any endorsement(s) contain all the plans between *You* and *Us* and supersede any prior plans or understandings between *Us*.
